LOT 2603

A set of three early 20th century cut glass ceiling lights, each of tapering circular dome form with a gilt metal mount, diameter 16cm (lacking one suspension chain).

Estimate: £80 - £120

Condition Report

2603. Each glass shade has very small chips around the rim, but these are not visible as are concealed under the gilt metal mounts. The exterior of the shades appear to be in good order with minor wear to the gilding on the mounts. Lacking one suspension chain.
