LOT 650

A Victorian gold shaped oval brooch, circa 1860, with applied bead and wirework decoration in the classical taste, glazed with a locket compartment to the back, unmarked, weight 12.4g, width 4.8cm.

Estimate: £200 - £300

Condition Report

Slight staining at the back near to the hinge. The hinge pin is base metal. Tiny dent towards the hook end of the front but generally in good condition for the age of the brooch.
