Condition Report

Cameo - base metal pin, a few dents to the rim mount, cameo with what looks to be an internal stress crack to the side of the face

Circular pendant - slightly dented at the back

Earstuds - lacking butterflies

Skene-dhu - pin hook a little bent which is currently preventing the pin from opening up, a few nibbles to the orange gemstones.

Victorian oval brooch - a few nibbles to the facet edges of the central blue paste, otherwise in generally good condition.

Other items in generally good condition.
