

Jewellery / Wednesday, 11th May 2022 / Lot 738

### LOT 738

A two colour gold, topaz and citrine set seal of foliate form, engraved with an owl perched on a globe, unmarked, weight 5.9g, height 2.6cm.

Estimate: £300 - £400

---

### Condition Report

Fairly clear intaglio, some leftover residue from previous use but no chips to the edges of the design.

Some minor abrasion to the facet edges of the principal stone.

Some heavier wear to the tables and facet edges of the side gemstones.

Otherwise some very minor wear to the mount but generally in good condition.
