LOT 138

Attributed to Thomas Daniell - 'Cave at Kanarii, Salsetti' (Excavated Temple on the Island of Salsette, Stupa in Cave 2), pencil on cream wove paper, circa 1795, inscribed in pencil verso, sheet size 33.5cm x 48cm, within a painted wood frame. Note: this drawing is related to the example (B2000.6.10) in the collection of the Yale Center for British Art, dated to July 1795.

Estimate: £200 - £400

Condition Report

138. Generally in good condition. Some soiling and splatters of staining, probably from previous detritus on the surface. Minor rippling to the edge of the paper around the edge of the mount. The mount and backing does not appear to be archival despite being relatively modern. Modern gilt frame in ok condition.
