LOT 103

After Andrea del Sarto - Oval Miniature of Christ the Redeemer, watercolour on ivory, inscribed verso, 6cm x 5.5cm, within a Florentine style gilt composition frame. Provenance: Lady P. Bedingfeld, collectors' label verso.

Estimate: £80 - £120

Condition Report

103. Paint flaking to the left and right sides but only affecting the background. The flaked paint appears like detritus trapped beneath the glass. Small area of crude overpainting to the right hand side. Probably a little faded.

Frame with crude repair to the bottom left corner and some scuffing to the gilt extremities.
