

Silver and Plate / Wednesday, 11th May 2022 / Lot 314

LOT 314

A set of six early 20th century Japanese silver teaspoons, each circular bowl decorated in relief and enamelled with flowers, including prunus, wisteria and iris, each handle entwined with a dragon, weight 70.6g, lengths 10.3cm.

Estimate: £60 - £100

Condition Report

314. Overall all teaspoons in generally good condition with no significant damage or repairs. Some very minor hairlines to some sections of enamels, but only really noticeable under x10 magnification. Typical light surface scratches and wear.
