### Condition Report

1045. The watch is in generally good condition with no significant damage or repairs. Typical light surface scratches and wear to case and glass. Dial in good order. Movement winds and adjusts smoothly, and is currently running, but please be aware we give no guarantees to working order or reliability of any clock or watch. The second hand does stop when winder is extended.

We have not been able to remove the case back, so unable to supply photo of the movement or confirm whether an inner protective cover is present.
