Condition Report

1052. Calendar Goliath - generally good condition except for the hairline cracks to the dial. Case with typical surface scratches and wear. Case backs close tightly and hinges are good. No dents or repairs to case. Dial has numerous hairlines which can be seen in the images on our website. Case number to watch is a little indistinct, but looks to be 596468. The movement winds and adjusts smoothly and is currently running, but please be aware we give no guarantees to working order or reliability of any clock or watch. All dials are functioning and roll-over as they should.

Doxa watch - generally good condition, but dial has hairline cracks. Typical wear to case particularly the high points. Case backs close tightly and hinges are good. Watch winds and adjusts smoothly and is currently running, but please be aware we give no guarantees to working order or reliability of any clock or watch.
