### LOT 1134

A 20th century beech cased circular wall clock with eight day single fusee movement, the 14-inch dial with printed Roman numerals and RAF crest, within a moulded surround, diameter 46cm (lacking pendulum).

Estimate: £120 - £180

### Condition Report

1134. The case is in generally good condition, but a bit dusty and dirty. The movement appears to be ok, but no pendulum so cannot tell if it is running or not. No maker's mark or date to the movement. The dial is a later printed paper dial placed over the original, so please note, this wall timepiece is not an 'RAF Clock' and is not being sold as one.
