LOT 1487

Three Lladro figures representing the seasons, comprising Glorious Spring, No. 5284, Fall Clean Up, No. 5286, and Winter Frost, No. 5287 (minor faults).

Estimate: £120 - £180

Condition Report

Spring - a number of losses/chips and at least one small glued repair to flowers and leaves on top of column, only really noticeable on close inspection. The parasol is detached but available with the lot, it is cracked with a number of small losses to the rim edge.

Autumn - small chip to edge of leaf by cat, otherwise ok.

Winter - in good condition.
