LOT 1739

A Stevens & Williams Royal Brierley Cactus glass vase, circa 1934-39, designed by Keith Murray, engraved with three flowering cacti, etched facsimile signature mark to base, height 20.5cm.

Estimate: £200 - £300

Condition Report

Minute nick to outer edge of footrim.

The vase must have been used to hold flowers as there is a noticeable water line running horizontally around the middle of the interior with cloudiness here and to the lower body. The vase also has extensive surface scratches overall to the interior and exterior, ranging in size and severeness. There are some very indistinct minute nicks to the edges of the cacti decoration.
