LOT 1352

A Wedgwood Fairyland Coral and Bronze lustre Melba centre bowl, circa 1925, decorated to the exterior with the Garden of Paradise pattern, the interior with magpies, masks and a Chequer Rosette centre base, gilt printed Portland vase mark to base, pattern No. Z5348, height 14cm (minor faults).

Estimate: £100 - £150

Condition Report

There are a few small scratches and manufacturer's glaze flaws to the bronze exterior revealing some white areas, only really noticeable on close inspection.

There is an approx 2cm long by 1cm wide flat chip to the upper edge of the foot which has been unevenly filled and painted with gilt paint.

The interior black decoration of the birds and base medallion are totally worn, the base orange and green enamels are heavily rubbed. The band to the rim interior is in reasonable condition.
