LOT 680

A white gold, peridot and diamond cluster ring in an Art Deco inspired design, collet set with the asscher cut peridot to the centre, otherwise set with circular and baguette cut diamonds, detailed '18K', weight 4.6g, peridot weight approx 1.00ct, total diamond weight approx 0.60ct, ring size approx M1/2.

Estimate: £1,300 - £1,500

Condition Report

The peridot has a couple of nicks near to one claw and a few smaller nicks to the girdle in places. The stone is largely inclusion free to the unaided eye.

The diamonds are bright white stones generally. The baguettes have the odd tiny inclusion noticeable under x10 magnification, the round brilliants have one or two more inclusions noticeable under x10 magnification. The condition of the ring overall is largely as new.
