LOT 537

A 9ct gold graduated curb link watch Albert chain, fitted with a 9ct gold T-bar and two 9ct gold swivels, Birmingham 1919, maker's mark 'B.Bs', weight 48.1g, length 42.5cm.

Estimate: £500 - £700

Condition Report

T-bar detailed 'B.Bs', with full hallmark excluding date letter

The ring connecting the T-bar and lengths of chain together has an anchor mark and the date letter for 1919.

Links generally are marked '9 375', some of these marks have more wear than others.

Both swivels are detailed 'B.Bs 9. 375'

Some wear between the links but generally nothing too severe. The oval ring connecting directly to the T-bar has more noticeable thinning at one end.

Swivels both open smoothly.
