LOT 2145

A William IV mahogany library table, fitted with six drawers, on reeded legs and castors, height 78cm, length 182cm, depth 105cm.

Estimate: £500 - £800

Condition Report

2145. Lacking some of the beading around the edge of the drawers. The leather writing surface is lifting in places and there are a couple of small losses. Damage and repair to wooden knob on one central drawer. One piece of beading missing to side, below the drawer line and another piece detached but present. Over varnished to the legs. Fairly heavy wear consistent with age and use.
