LOT 612

A gold and oval shell cameo bracelet, mid-19th century, mounted with a row of six cameos, each carved in a differing classical design, alternating with black and white enameled highlighted links, on a snap clasp, unmarked, weight 29.8g, length 20cm.

Estimate: £300 - £400

Condition Report

The cameo links have been reconstructed from an earlier design. Most have a row of four connecting loops at either end, some of these loops are now absent and some have traces of old repair from the past. The current connecting links are in association.

The enameled connecting links between two of the cameos are missing. Small chip to the top of the cameo which is mounted to the clasp.
