LOT 721

A single row necklace of thirty-seven oval varicoloured butterscotch coloured semitranslucent and opaque amber beads, gross weight 22g, length of largest bead 1.7cm, length of smallest bead 1cm, and a single row necklace of thirty-two oval varicoloured butterscotch coloured semitranslucent and opaque amber beads, gross weight 25.9g, length of largest bead 1.8cm, length of smallest bead 0.8cm.

Estimate: £150 - £250

Condition Report

Some of the amber beads have surface reaching flaws. Some of the beads would benefit from a polish as their lustre is currently a little dull.

Part of one smaller bead is missing. There are some considerable surface reaching flaws to the largest and some of the smaller beads of one of the necklaces.

Both necklaces would benefit from re-stringing.
