### LOT 773

A silver, colourless and pink paste set brooch, designed as an early 20th century vehicle, detailed '935 Sterl S', weight 5.6g, length 3.7cm.

Estimate: £40 - £60

---

### Condition Report

Some variation of colour to the colourless pastes. Some appearing to have a yellow tint.

One colourless paste has a large chip. The other pastes generally have some minor abrasion to facet edges.

The brooch fitting is in good working order.

Front wheel is slightly loose.
