### Condition Report

137. Watercolour - some rubbing to the surface on the right-hand side. Paper curling verso slightly. Minor age toning and equally minor flecks of surface dirt. Mount and backing are not archival. Later frame in ok condition.

Drawing - some age toning and light browning to surface. The work appears rather flat so may be laid down. Mount and backing do not appear to be archival. Frame with small scuffs to extremities.

Neither work has visible tears or repairs, but neither have been examined out of their frames.
