### LOT 2058

A 19th century pine campaign chest of two drawers with brass recessed handles, height 74cm, width 97cm, depth 53cm (faults and alterations).

Estimate: £50 - £80

---

### Condition Report

2058. General condition is typically marked and damaged to surface, with overall dents, chips and marks. Some later applied mounts and one replaced handle to lower drawer. The drawers run ok and the feet are later mid-20th century ebonized with later strips of pine that these fit to.
