Condition Report

2. Relined, cleaned and restored to a good standard. Some minor craquelure, but paint appears stable. Some very minor subsequent surface dirt. Old varnish is a little uneven and just started to discolour. Some light surface scratches to the bottom right corner, near the signature. UV examination highlights some touches of overpainting throughout.

Gilt frame is coming apart at joins, it also has some repairs and further damage to the extremities. It has also been varnished or repainted at some stage of its history.
