### Condition Report

Sapphire is of medium to pale colour saturation, looking slightly paler to the centre. One or two typical inclusions. Abrasion to the facet edges and girdle generally.

One diamond is slightly yellow tinted. This stone has a surface reaching inclusion on one side running across the stone. The other whiter diamond has a few inclusions, a few black in colour under the table.

One or two claws are showing signs of wear, particularly one to the sapphire which needs re-tipping.

Very minor wear to the shank.

Measurements are approximate and limited by the setting:

Sapphire - 6mm x 5mm

Diamonds - 4mm x 4.5mm and 4mm x 4mm
