LOT 674

A gold and diamond ring, mounted with three principal variously cut diamonds alternating with two pairs of smaller diamonds, detailed '18ct', weight 2.3g, ring size approx R.

Estimate: £120 - £180

Condition Report

Diamonds are fairly white stones. Under x10 magnification they have a few inclusions, the centre stone less so. One side diamond has a surface reaching inclusion to the table. Typical light scratching to the shank. Overall in good condition.

Measurements approximate and limited by setting:

Larger diamonds - 2.5mm approx. diameter. Smaller diamonds just over 1mm diameter
