### Condition Report

1075. Overall the group of stands are in good sound condition.

Tripod censer stand - good condition, no significant damage or repairs. Typical light surface scratches and wear. Couple of very minor wire losses to inlay.

Naturalistic stand - good condition, typical surface scratches and wear, and a few very minor nicks to highpoints, but nothing obviously noticeable or significant.

Banded border - generally good condition with some minor natural shrinkage cracks. One foot broken off and re-glued. Typical light surface wear.

Larger circular stand with open centre - generally good condition with minor nicks to high points and one foot with crack.

Smaller circular stand with open centre - minor nicks to rim, otherwise good condition.

Larger circular solid centre stand - good condition, but 3 nails to underside securing the top.

Smallest stand - good condition.

The shell stand - has minor nicks, but otherwise in good condition.
