### Condition Report

Unfortunately we are unable to provide a professional grading for the diamonds.

Total carat weight approx. 1.80ct-1.90ct.

The centre stone has a feather directly below the table, whitish in colour and noticeable without magnification.

The surrounding stones have a few inclusions, mostly pinpoints and small feathers, none really noticeable without magnification.

The stones generally appear bright, white and sparkling.

The ring mount is generally in good condition.
