

Collectors' Items, Works of Art and Light Fittings / Thursday, 7th July 2022 / Lot 2593

### LOT 2593

A 19th century 'Cruchley's Late Cary's New Terrestrial' 12-inch table globe, fitted with a brass meridian ring, the horizon ring with printed months of the year and astrological signs, mounted on a mahogany stand, height 48cm, width 44cm (restoration).

Estimate: £400 - £600

---

### Condition Report

2593. The stand looks like a later replacement. Areas of wear and marks to globe. May possibly have been professional sympathetic restoration to globe, but difficult to be sure. Good overall appearance.
