### LOT 512

A silver gilt and amethyst brooch in a cannetille work design with three pendant drops, unmarked, weight 14.6g, width 5.8cm, length 8.2cm.

Estimate: £70 - £100

### Condition Report

There is a loop at the top of the brooch that could either hold a safety chain or may have held a suspension loop to wear the piece as a pendant.

The amethysts are of medium to pale colour saturation. One drop on one side is missing its original loop to connect it to the main piece and is now fitted with a replacement.

Suggested age - early 20th century.
