### LOT 733

A gold and seed pearl circular pendant locket, glazed to the back and front, with a surround of seed pearls, unmarked, weight 6.3g.

Estimate: £100 - £150

### Condition Report

One or two pearls are beginning to peel. Generally they have an attractive lustre.

The glazing to the front side has a small scratch just off centre, which is fairly noticeable. The reverse also has a tiny bruise to the glazing.

The piece would benefit from a clean.
