

Collectors' Items, Works of Art and Light Fittings / Thursday, 7th July 2022 / Lot 2595

### LOT 2595

A Victorian walnut table-top stereoscopic viewer, fitted with hinged lens and viewer, raised on a flared base, length 39cm.

Estimate: £80 - £120

---

### Condition Report

2595. Overall in good condition. The elevation bracket on the inside of the base is detached, but just needs screwing back on. The finials on top of the magnifier are missing, otherwise no obvious losses or damage. Length 39cm, height 35cm, depth 23cm.
