

Wristwatches and Pocket Watches / Thursday, 21st July 2022 / Lot 1031

LOT 1031

An Omega Seamaster 120 Automatic steel cased gentleman's wristwatch, circa 1968, the signed and jewelled 565 caliber movement numbered '26375436', the signed black dial with baton hour markers and date aperture, the signed case back interior '166.027', case width 3.6cm.

Estimate: £300 - £500

Condition Report

The movement is not currently running but does adjust smoothly and the date rolls over as it should.

Dial in generally good order with good clear lettering and detail.

Glass and case with surface scratches and wear.

Missing bezel.
