### Condition Report

The watch is currently running and winds and adjusts smoothly, but please be aware we give no guarantees to working order or reliability of any clock or watch.

The chronograph functions are working with the top button starting the stopwatch, the lower button stopping and the lower button then returning the centre seconds hand but not completely to 12 o'clock - but very close to.

The dial in generally good condition with some minor dirt specks and wear.

The case with numerous small dents particularly to the case back.
