Condition Report

1129. Waltham timepiece - winds and adjusts smoothly and is currently running, but please be aware we give no guarantees to working order or reliability of any clock or watch. The dial has numerous hairlines, some more noticeable than others. See images on our website. Hinged brass case with small dent to one corner, otherwise typical surface scratches and wear. The case is locked and we do not have a key, so unable to see inside.

Carriage timepiece - a little tired and dirty. Case is worn. Front glass panel is chipped and back panel with tiny chip to top corner. Dial in generally good condition. Movement winds and is running, but please be aware we give no guarantees to working order or reliability of any clock or watch.
