LOT 609

A George III gold and faceted black paste mourning ring, glazed to the centre with a woven hair locket compartment within a surround of black pastes, detailed 'Cath Gregson Obt 3 June 1819 Aet 32', unmarked, weight 4g, ring size approx Q1/2, with a later case.

Estimate: £150 - £250

Condition Report

There are a few chips to some of the black pastes, one of them is quite badly damaged.

The ring has been sized at the back with a small section let in. The ring is otherwise in original condition.
