

Jewellery / Wednesday, 3rd August 2022 / Lot 543

LOT 543

A gold and diamond three stone ring, mounted with cushion cut diamonds in a trefoil shaped design between split scrolled shoulders, detailed '22 YL', weight 3.2g, ring size approx I.

Estimate: £180 - £220

Condition Report

One diamond slightly yellowish tint face-up and side on. Other two diamonds appear fairly white face-up. One diamond with surface cavities/chips to both sides. Another diamond has a small chip to the girdle and a small surface reaching inclusion across the table. The yellowish tinted diamond has a white inclusion below the table evident under x10 magnification. One or two inclusions generally otherwise overall.

Typical light scratching to the setting/shank.

Variations in outline shape to the diamonds.

One or two claws are showing signs of wear. One claw has been re-tipped in the past but fairly crudely.

Diamond sizes:

3.4mm x 2.6mm x 2.4mm

3.05mm x 2.6mm x 2.2mm

3.3mm x 2.8mm x 2.75mm

All measurements are approximate and limited by setting.
