

Jewellery / Wednesday, 3rd August 2022 / Lot 586

### LOT 586

A gold and platinum ring, claw set with an oval opal between two circular cut diamonds, detailed '18ct Pt', weight 2.3g, ring size approx M1/2.

Estimate: £60 - £80

---

### Condition Report

General surface rubbing to the surface of the opal. Subtle play-of-colour, largely blue/green  
Diamonds not well matched for colour, one looking yellowish face-up compared to the other. Both are single cut stones and appear to be fairly clear internally.  
Some general light surface scratching to the shank.
