### LOT 2016

A mid-Victorian burr walnut twin pedestal desk with gallery back and sloping hinged lid, height 86cm, width 120cm, depth 73cm (crack to hinged slope).

Estimate: £250 - £400

---

### Condition Report

2016. The desk comes in three parts as usual. The hinged slope has a crack to the front panel which is now quite loose and will need repair. There is a chip to the surface of the top on the right hand side. Also some overall surface chips, scratches and marks. Replacement handles and missing a handle.
