

Silver and Plate / Wednesday, 3rd August 2022 / Lot 321

LOT 321

A late 17th century Continental silver beaker, probably Dutch or German, of tapering cylindrical form with slightly flared rim, engraved with three oval portrait medallions within scrolling framework, above ropetwist and foliate bands, on a domed foot, marks to base, weight 114g, height 9.7cm.

Estimate: £70 - £100

Condition Report

321 - Small repair to base and also misshapen and dented, areas of typical wear to the body and a misshapen rim.
