LOT 2115

An early 20th century walnut cased boudoir grand piano by Blüthner of Leipzig, overstrung with 'Aliquot Piano Patent', raised on fluted legs and castors, height 99cm, length 180cm, width 147cm.

Estimate: £500 - £800

Condition Report

2115. The piano is in need of an overhaul as the movement is dusty and uncared for. The sound board appears to have a few small hairline cracks, but the piano plays quite well considering. It is missing one hammer to the high B. The case is in need of a polish and the music stand is a replacement.
