LOT 1480

Four Royal Doulton limited edition Parian figures, modelled by Alan Maslankowski to commemorate the Millennium, comprising Hebe, HN4079, Ceres, HN4080, Artemis, HN4081, and Erato, HN4082, each No. 151 of 250, height 35cm, boxed, with certificates.

Estimate: £250 - £350

Condition Report

There are some minor brown/yellow marks primarily on Ceres - these do seem to come off with cleaning. Some glue is visible around the bases of the figures where they have been applied to the stands during manufacture - simply because the glue has yellowed over time. Otherwise each of the figures is in good condition overall with no cracks, chips or restoration. Please see the extra images on our website using the zoom function.
