

British and Continental Ceramics / Thursday, 11th August 2022 / Lot 1584

LOT 1584

A majolica Art Nouveau shaped circular wall plaque, decorated with a portrait of a young lady within a floral moulded border, width 30cm.

Estimate: £40 - £60

Condition Report

Heavily crazed overall with some minor glaze flakes amidst the moulded decoration.

There are remnants of a sticky residue to the exterior edge.

There are 3 overpainted areas to the reverse of the plaque which seem to cover areas of glaze loss or manufacturing blemishes - please see the extra images on our website using the zoom function.

I don't believe the plaque has a great deal of age.
