LOT 1623

A Clarice Cliff novelty Teepee teapot and two covers, the handle modelled as a totem figure, the spout as an Indian brave with elaborate headdress, black printed factory marks to base and detailed 'Greetings From Canada', height 17cm (faults to one cover).

Estimate: £120 - £180

Condition Report

Teapot with teeny tiny haircrack approx 3mm to inner edge where cover sits, otherwise in good condition overall with no cracks, chips or restoration.

First cover - blends in well with the overall body colour of the teapot, has an approx 0.5cm square flat chip to the outer edge and a slightly larger flat chip to the side of the finial.

Second cover - a slightly paler colour and does not sit so well on the teapot body but is in good condition overall with no cracks, chips or restoration. This second cover almost feels like a recent replacement.
