

Glassware / Thursday, 11th August 2022 / Lot 1759

LOT 1759

A part suite of cut glass ice plates, 19th century, the undersides with vertical line detail, the rims scalloped, comprising six 18.5cm square, five 13.5cm square and three circular, 15.5cm diameter, together with eight plain circular glass plates, diameter 15.7cm, and a blue glass bowl (minor faults).

Estimate: £30 - £50

Condition Report

Each of the plain circular glass plates is in good condition overall with no cracks, chips or restoration.

Each of the cut edged glass plates has small chips/nicks to the rim to varying degrees.

The blue bowl has pulled feet, one of these is completely missing and another is badly chipped.
