LOT 2802

A large Suzani panel, probably Uzbekistan, early 20th century, the black ground finely embroidered with circular medallions and foliage, within foliate borders, 208cm x 120cm, together with another Middle Eastern embroidered panel, 105cm x 105cm.

Estimate: £80 - £120

Condition Report

2802. The Suzani panel has one small (1cm square) repaired hole to the black border, but otherwise in good condition. Lacking one small piece of embroidered detail on one edge. Possibly part of a larger piece, looks unfinished which is shown in the images on our website.

The other smaller panel is in good condition.
