### LOT 619

An Edwardian gold, diamond and seed pearl set heart shaped pendant locket, mounted with a cushion cut diamond at the centre, otherwise set with seed pearls, unmarked, weight 3g, length 2.2cm.

Estimate: £70 - £100

### Condition Report

The old cut diamond looks to be an attractive white stone, small surface reaching flaw at about 3 o'clock. The seed pearls look a little grubby.

It may have gotten damp at the back of the locket in the past, evidence of dried out staining within the inside edge of the glass.
