

Arts and Crafts Metalwork and Applied Art / Thu, 8th September 2022 / Lot 2369

LOT 2369

A pair of Art Nouveau pewter candlesticks, probably by WMF, cast with foliate scrolling triform bases, height 29cm.

Estimate: £40 - £60

Condition Report

2369. Both are covered in wax, so it is a little difficult to see some of the surface decoration, but one is definitely missing a small section of wirework below drip pan and also has some surface scratches to the base. Some areas of surface wear.
