LOT 2230

A mid-19th century mahogany breakfront library bookcase cabinet, the inlaid pediment above four lancet glazed doors and panelled cupboards, height 240cm, width 200cm, depth 50cm (some faults). Note: from the contents of Runnymede Park, Surrey.

Estimate: £400 - £600

Condition Report

2230. There is some loss to the inlaid detailing on the pediment, some minor faults to the astragal moulding bars and a few marks to surface and corners. The sides are oddly finished with a corner recess, so possibly would have had additional side cabinets at some point.
