LOT 1143

A Jaeger-LeCoultre gilt brass and lucite mantel timepiece with visible eight day gilt jewelled movement, the signed glass front panel detailed '8', the curved case with six clear lucite columns, stamped '438' to base, height 11.7cm.

Estimate: £150 - £250

Condition Report

1143. Generally good condition. The movement winds and adjusts smoothly and is currently running, but please be aware we give no guarantees to working order or reliability of any clock or watch.

The case is a bit dusty and dirty so would benefit from a clean, but no significant damage or repairs, only minor surface scratches and wear.

'Jaeger LeCoultre' lettering to front of glass is worn.
