### LOT 521

A pair of gold, seed pearl, imitation pearl and blue paste imitating turquoise pendant earrings, probably Indian, with wire fittings, unmarked, weight 6.3g, length 4cm.

Estimate: £100 - £150

### Condition Report

The gem set areas are rather dirty. The turquoise is rather discoloured to green. The drops are set with imitation pearl and pale blue paste beads. One imitation pearl is lacking.

At the top of each earring there is a small loop which does not appear to perform any function. On one of the earrings, the ring connecting the surmount to the drop is a base metal replacement.

Suggested age - early 20th century.
