### LOT 651

A gold bracelet in a geometric link design, 1940s, detailed '585', on a boltring clasp, weight 5.2g, length 18cm.

Estimate: £100 - £150

---

### Condition Report

In generally good condition with typical light surface scratching.

The loop attached to the boltring holding it to the rest of the bracelet is not soldered up, so there is the potential for the boltring to become detached from the bracelet in the future, it might be advisable to have this secured by a professional before wear.
